The Board may, itself, determine that a Home Club's Registered Ground is unsuitable, for whatever reason, for the playing of a Match. The Board has complete and sole authority to make such a determination either on its own motion or consequentially upon notification from a Club. In making a determination as to suitability of a Registered Ground for the playing of a Match, the Board may have regard to the criteria in Competition Rule 11 but it may also have regard to any other factor(s) it considers relevant. In the event that the Board makes a determination that a Registered Ground is unsuitable for the playing of a Match, then the Match in question shall be played at such alternative Registered Ground as is determined by the Board. In such circumstances the Clubs drawn to play in that Match shall, for all other purposes, retain their respective statuses of Home Club and Away Club as originally drawn.
- 10.5 If more than one Club from the same city or town or with the same Registered Ground is drawn to play at home in the same Round and it is deemed, for whatever reason, that their Matches cannot be played on the same day or at the same kick-off time then the Board shall determine when each such Match shall be played and the relevant Clubs will be bound by such determination.

- 12.3 During the term of a temporary transfer the Player concerned shall not be eligible to play in the Competition against his Parent Club.
- 12.4 Each Club is responsible for ensuring that all of its Players who are listed on the Official Team Line (either as a Starting Player or a Nominated Substitute) for a Match are eligible to do so pursuant to the Registration Procedures, the Disciplinary Procedures and Competition Rule 13.4.
- 12.5 When a Match which is postponed, drawn, or abandoned is played or replayed, only those Players who were eligible, by means of their registration, to be listed on the Official Team Line for a Club at the date fixed for originally playing the Match, are eligible to be listed on the Official Team Line for that Club for the rescheduled Match.

- 13.1 Subject to the provisions of Competition Rules 14.8, 14.9 and 14.10, a Club shall list on its Official Team Line eleven Players ("**the Starting Players**") who will start the Match and up to a maximum of seven substitutes ("**the Nominated Substitutes**"). Of those Nominated Substitutes, not more than three may play in the Match ("**the Fielded Substitutes**"). - 13.2 A Starting Player or Fielded Substitute who has been substituted is not permitted to take any further part in the Match.
- 13.3 A Club must include two Players whose customary position is that of goalkeeper, one of whom must be named as a Starting Player and the other a Nominated Substitute in its Official Team Line, and must designate such Players by adding "GK" after each of their names on the Official Team Line.

14. Official Team Lines

- 14.1 Each Club must provide a full written list of the Starting Players and the Nominated Substitutes ("**the Official Team Line**") to the referee and a representative of their opponents in the presence of the referee, not later than 75 minutes before the start of the Match. - 14.8 If a Starting Player listed on the Official Team Line is not able to start the Match due to unexpected physical incapacity or other extreme circumstances (which are explained to and accepted by the referee), he may only be replaced by one of the Nominated Substitutes. The Nominated Substitute who becomes a Starting Player may then only be replaced by an eligible Player not originally listed on the Official Team Line as signed, so that the quota of Nominated Substitutes is not reduced.
- 14.9 If a Nominated Substitute listed on the Official Team Line is, at the start of the Match not able to be named as a Nominated Substitute due to an unexpected physical incapacity or other extreme circumstances (which are explained to and accepted by the referee), he may only be replaced by an eligible Player not originally listed on the Official Team Line as signed.

19. Registered Colours

- 19.1 Before the first day of August in each year, each Club shall register with the Scottish FA, the colours and design of its shirts, shorts and stockings. Clubs will register their first choice colours and second choice colours and, should Clubs so desire, they may also register a third set of colours. Subject to the terms of this Competition Rule 19, a Club shall play in one of its registered sets of colours.
- 19.2 In exceptional circumstances, and with the prior written approval of the Board, a Club may play in colours which are modified from those which have been registered with the Scottish FA.
- 19.3 When the first choice colours of both competing Clubs are the same, or similar, the Away Club shall change and play in a set of registered colours which are distinctive from those to be used by the Home Club.
- 19.4 In the case of the Semi-Final Matches, the first drawn Club in each of the Semi-Final Matches at the Cup Draw for the Semi-Final Matches will be permitted to play in its first choice registered colours and the second drawn Club (if necessary) is required to change.
- 19.5 The winning team of the first Semi-Final Match drawn in the Cup Draw will automatically be deemed to be the Home Club for the Final Match.
- 19.6 A Club may play in its second or third choice registered colours provided that this does not prevent the opposing Club from observing the terms of Competition Rule 19.3 or from playing in its first choice registered colours if it elects to do so.
- 19.7 A Club which elects to play in its second or third choice registered colours shall inform the opposing Club, the referee and the Scottish FA in writing not later than seven days before the date of the Match.
- 19.8 Goalkeepers shall wear colours which distinguish them from the other players in both teams and from the Match Officials. The referee's decision on whether this Competition Rule 19.8 is met will be final and binding on all parties.
- 19.9 Every Starting Player and Nominated Substitute of each Club shall wear a distinguishing number on his shirt and may wear the same distinguishing number on his shorts.
- 19.10 If there is any dispute as to whether the colours of the Clubs which are to play in a Match are the same, or similar, or if a Club has not notified the opposing Club, the referee and/or the Scottish FA in accordance with Competition Rule 19.6, the referee shall decide the issue and his decision will be final and binding on the competing Clubs.

20. Replays and Postponed Matches – excluding the Semi-Final Matches and the Final Match

20.1 Where a first Match in the Preliminary Round(s) (if applicable), Round One, Round Two or Round Three is drawn, or is not played on or before the original scheduled date, the drawn or unplayed Match shall be replayed or played on either the Saturday following the original Match date (or the date fixed therefor), or in the second midweek following the original Match date, unless the two Clubs, the relevant authorities and the Scottish FA are all agreeable that the Match be played on an earlier date.

The drawn or unplayed Match shall take place on a day to be mutually agreed by the two Clubs, other than Thursday or Friday.

20.2 In subsequent Rounds (i.e. for Matches after Round Three but excluding the Semi-Final Matches and the Final Match), the drawn or unplayed Match shall be replayed or played in the second midweek following the original Match date (or the date fixed therefor), on a day other than Thursday or Friday, unless the two Clubs, the relevant authorities and the Scottish FA are all agreeable that the Match be played on an earlier date.

20.3 For the purposes of Competition Rules 20.1 and 20.2, if a Match is still undecided Clubs are required to make two attempts to play or to replay the Match in succeeding mid-weeks until the Match is decided and it is known which Club is progressing into the next Round of the Competition. These attempts will be made on Mondays and Wednesdays. Clubs may however elect to play on a Tuesday rather than a Monday, but if doing so, will be required to play or replay on the Wednesday of that midweek in the event of a draw or a postponement. Competition replays will have priority over league matches in the Scottish Professional Football League or any other relevant league either scheduled or re-scheduled except in exceptional circumstances and by agreement of the Board.

21. Drawn Matches – Extra Time/Kicks from the Penalty Mark

21.1 When a second Match is drawn in any of the Rounds up to and including the Sixth Round, a further thirty minutes, fifteen minutes each way, of extra time shall be played. Thereafter, if the Match is still undecided, the winner shall be determined by the taking of kicks from the penalty mark in accordance with the rules laid down by IFAB. The Club which scores more times in respect of such kicks will be declared the winner of the Match and will proceed to the next Round of the Competition.

21.2 When a Semi-Final Match is drawn, a further thirty minutes, fifteen minutes each way, of extra time shall be played. Thereafter, if the Match is still undecided, the winner shall be determined by the taking of kicks from the penalty mark in accordance with the rules laid down by IFAB. The Club which scores more times in respect of such kicks will be declared the winner of the Semi-Final Match and will proceed to the Final Match.

21.3 When the Final Match is drawn, a further thirty minutes, fifteen minutes each way, of extra time shall be played. Thereafter, if the Match is still undecided, the winner shall be determined by the taking of kicks from the penalty mark in accordance with the rules laid down by IFAB. The Club which scores more times in respect of such kicks

will be declared the Winner.

22. Match Unfinished

- 22.1 In the event of any Match being unfinished owing to weather conditions or other causes over which neither competing Club has any control, the disbursement of receipts from the unfinished Match shall be made in accordance with the relevant Competition Rules which would have been applicable had the Match been completed.
- 22.2 When such unfinished Match is subsequently re-scheduled and played, the disbursement of receipts from that rescheduled Match shall be made in accordance with the relevant Competition Rules, subject to the discretionary provisions contained in Competition Rule 22.3 below.
- 22.3 The competing Clubs shall have discretion, subject to the Board's endorsement of the exercise of such discretion and notwithstanding the provisions for charges for admission stipulated elsewhere in these Competition Rules, to agree to charge those spectators who paid an admission charge in respect of the unfinished Match, a concessionary rate for entry to the re-scheduled Match.
- 22.4 In calculating the division of receipts in accordance with the relevant Rules, the following provisions shall apply:
- 22.4.1 when a levy is payable to the Scottish FA, it shall be calculated from the gross receipts of the Match excluding concessionary admissions assuming that the concessionary admissions are on a no charge basis. If there is a concessionary charge for admission the concessionary charges shall be included in the gross receipts;
- 22.4.2 when the Match is played at the ground of one of the competing Clubs, the deduction from receipts which the Home Club is entitled to make shall be calculated on the basis of the notional gross receipts of the match which will include the full corresponding charges for those spectators admitted on a concessionary basis;
- 22.4.3 when the Match is played at a Neutral Ground, the rental payable to the Club on whose ground the Match is played shall be calculated on the basis of the notional gross receipts of the Match which shall include the full corresponding charges for those spectators admitted on a concessionary basis;
- 22.4.4 if the sums calculated under Competition Rules 22.4.1 or 22.4.2 cannot be met from the actual Match receipts, which shall include concessionary admissions if a concessionary charge for admission is made, the deficit shall be met equally by the competing Clubs; and
- 22.4.5 the disbursement of receipts from any Match which is unfinished due to circumstances other than as stated in Competition Rule 22.1 and from any subsequent re-scheduling of such Match, shall be determined by the Board.

23. Condition of Ground

- 23.1 Each Home Club must take all reasonably practicable measures to ensure that its pitch is in a fit playing condition for a Match (and conforms to the specifications set out in these Competition Rules). In the event of doubt regarding the condition of the pitch, any competing Club shall immediately notify the Scottish FA to enable a referee to conduct a pitch inspection.
- 23.2 In addition, the Scottish FA has discretion to initiate a pitch inspection in respect of any Match to be played in the Competition. The inspection may be made at any time before the Match is to be played. If an inspection is made on the day of the Match, it shall be made as soon as reasonably practicable on the day of the Match and (where possible) not later than four hours before the time set for the kick-off, in order to advise the competing Clubs of the outcome of the pitch inspection accordingly.
- 23.3 The referee's decision shall be final on whether or not a Match should proceed. His fee and expenses shall be paid by the Scottish FA.
- 23.4 A pitch and/or Registered Ground which is deemed unfit for the purpose of a Match in the Competition shall not be used that same day for any other match.

24. Supporter Conduct and Damage to a Registered Ground

- 24.1 Each Club is responsible for the behaviour of its Players, officials, Team Staff, Team Officials, members, supporters and any other person(s) acting on behalf of or associated with a Club ("**Match Attendee**") before, during and after such Match and whilst any Match Attendee is present ("**the Relevant Period**").
- 24.2 In the event that, during the Relevant Period, at any Match, any part of any Registered Ground or such other stadium in which a Match is played is damaged as a consequence of misbehaviour by a Match Attendee(s), then the Club which the Match Attendee(s) is either representing, belonging to and/or associated with, shall be, subject to Competition Rule 24.7, responsible for any costs arising in the reparation of same, including all costs and expenses incurred by the venue owner and/or operator of the Registered Ground or such other stadium in which a Match is played.
- 24.3 The Scottish FA shall have the power to require such reports as it may consider necessary in relation to such damage and the appropriate amount(s), if any, which should be paid and by which Club(s).
- 24.4 In respect of the Semi-Final Matches and the Final Match only, and subject to Competition Rule 24.7, all costs and expenses incurred by the venue operator at whose ground the relevant Semi-Final Match or the Final Match is being played, in repairing the damage caused to the Stadium or otherwise to reinstate the Stadium, shall be deducted from the financial proceeds of the Competition normally payable by the Scottish FA to the participating Club concerned (see Competition Rule 24.2 above) and paid to the venue operator at whose ground the relevant Semi-Final Match or the Final Match is being played.
- 24.5 In respect of the Semi-Final Matches and the Final Match only, each Club in breach

of and/or found liable under this Competition Rule 24 instructs and mandates the Scottish FA to pay the costs of any damage or repair, so determined, to the venue operator and/or owner of the Registered Ground or such other Stadium in which the relevant Match is played, together with any other costs due and payable under this Competition Rule 24, out of that Club's share in the financial proceeds of the Competition.

- 24.6 In respect of the Semi-Final Matches and the Final Match only, and subject to Competition Rule 24.7, in the event that the Club's share in the financial proceeds of the Competition as aforesaid is less than the aggregate amount of the costs referred to in this Competition Rule 24, the Club undertakes to indemnify the Scottish FA against, and to pay within 7 days of a written demand, an amount equal to the amount by which such aggregate amount exceeds the Club's share in the financial proceeds of the Competition as aforesaid.
- 24.7 In respect of each Match, the aggregate amount of any sums payable by a Club as a consequence of such misbehavior by a Match Attendee(s) under and in terms of this Competition Rule 24 shall not exceed the sum of FIFTY THOUSAND POUNDS (£50,000) STERLING exclusive of VAT.
- 24.8 Under exception of any issue arising as regards Article 28 and Competition Rule 24.9, and without prejudice to the terms of Competition Rule 1.3, any dispute arising from the application of the terms of this Competition Rule 24 shall be resolved by arbitration in accordance with Article 99.
- 24.9 The provisions of this Competition Rule 24 are without prejudice to the terms of Article 28.

25. Disagreement on Date of Match

- 25.1 Subject to the remainder of the terms of this Competition Rule 25, in any case where the date of a Match is not specified within these Competition Rules and/or not decided upon by the Board, and the two competing Clubs are unable to reach agreement as to when the Match should be played or replayed, the Home Club for that Match shall decide when a Match is to be played.
- 25.2 In exceptional circumstances, where it can be demonstrated that the terms of Competition Rule 25.1 should not apply, the Board shall decide when a Match is to be played.

26. Refusal or Failure to Play

- 26.1 All Clubs shall play in every Match in which they are scheduled to play.
- 26.2 No Club shall refuse or fail to play in a Match in which it is scheduled to play.

28.3 Subject to the terms of this Competition Rule 28, the charges for admission for Matches shall be agreed by the Clubs competing in that particular Match. If the competing Clubs are unable to agree, the charges which are normally made for the regular fixtures of the Home Club will apply.

28.4 Except as provided in Rule 28.5, a Club which is the Home Club for a Match is prohibited from charging higher admission prices to accommodation designated for supporters of the Away Club than for broadly comparable accommodation designated for use by supporters of the Home Club at the same Match.

28.5 The prohibition in Rule 28.4 does not apply to any: -

28.5.1 element of discount in the admission price per Match integral in the price of a season ticket or season book for all of the Matches of the relevant Club for the complete season in which ground access is permitted by such season ticket or season book;

28.5.2 concessionary admission prices for the relevant Match charged exclusively to persons who are senior citizens, children and/or disabled and who qualify as such; and

29.2 In the case of Matches falling under the terms of Competition Rule 29.1, the Away Club's supporters shall be accommodated in an area of the ground which is agreed by both Clubs and the Police authorities after having taken cognisance of the Safety at Sports Ground Act, 1975, where appropriate. The exercise of such right shall be subject to the following conditions:

29.2.1 except in the case of a replay, the Away Club shall request their ticket allocation as soon as reasonably practicable following the date on which the Cup Draw for the Match is made;

Tickets issued as part of a paid hospitality package may not be included in the total number of complimentary tickets.

30.3 Thereafter the Home Club shall include the corresponding charges for admission in respect of every season ticket holder and complimentary ticket holder in excess of such limit. The corresponding charges shall be those charges which are applicable to all other paying spectators admitted to the Match, relative to the area, or comparable

area of the stadium to which a member, season ticket holder or complimentary ticket holder, in excess of the number of such persons allowed for the purpose of calculating the gate drawings, is admitted.
